fellowship. The main agenda for the event was a strategy meet to align all verticals by creating a shared purpose, vision & mission statement of CAHO and to do a SWOT analysis with inputs from all. Mr. Basil R

SESSION MEET

selection.

(Ex-CEO Manipal) was the facilitator and moderator for this discussion. Day 1 began with an ice breaking session and a presentation of " Where are We" by the CAHO leadership. This was a brilliant synopsis of the fantastic growth story of the organization. This was followed by the attendees doing a SWOT analysis of the organization. The attendees were divided into 8 sub groups. Each group was asked to list and present the strengths, weaknesses, opportunities and threats as they perceived. The lists were collated and then each individual person was asked to pick 3 or 4 from each compartment and also write their reason for their

On Day 2, Mr.Basil enlightened the group on how to

organization. The groups were then asked to draft the same for CAHO. After intense discussions a consensus was reached on the Purpose and Vision statement of CAHO. It was decided that various verticals of CAHO will work for creating the mission statements in alignment with the Vision statement. Mr Basil was given a standing ovation for the excellent moderation.

develop the purpose, vision and mission for an

A memorable achievement of the event was the video shoot for the first time ever CAHO Anthem. It was indeed an interesting experience for everyone. CAHO T-shirts and caps were given to all. Another lovely activity was "Your secret CAHO friend". Everyone was allotted a secret friend as a part of the pre-event activity. It was expected that one will find interesting things about their secret friend without their knowledge and even give them some gift. This was a fantastic way of knowing more about everyone. There were discussions held separately for CAHOCON 2022 and a strategic plan for the CAHO sub verticals

(Hospitals, Diagnostics & Quality Professionals).

Webinar Series 1 on Continuous Quality Improvement Through Clinical Indicators by Dr. Philip Crowley (National Director of Strategy & Research Health Services Executive, Ireland) was attended by 450 participants across the globe. It was moderated by Ms. Gracy Mathai (CEO, Baby Memorial Hospital,

Dr. Ravindran Jegasothy (Immediate Past President, ASQua) were also part of the session. The webinar highlights can be viewed at our website resource
