The webinar was well attended by 113 participants and highlights of the same can be viewed at website resource center (www.caho.in)

Congratulations!!!

CAHO congratulates Dr Pramod Paharia, Life Member, CAHO (Senior Medical Officer Pediatrics & Quality Coordinator, Nazareth Hospital Shillong Meghalaya) on getting CPHQ Certification by NAHQ.

Certified Professional in Healthcare Quality (CPHQ) is the International certification in Healthcare Quality that is fully accredited by the National Commission for Certifying Agencies (NCCA) offered by National Association for Healthcare Quality (NAHQ) which is the only organization dedicated to Healthcare Quality professionals.

"I am happy to share that I have cleared the esteemed CPHQ examination from NAHQ, held in September 2021 Session. The way shown by CAHO during the CPHQ introductory class at Vijay Hospital, Chennai in November 2019 ultimately yielded fruitful results. This would not have been possible without the guidance and help from CAHO, Dr Devi Bala who helped me prepare for the exams. Various courses conducted by CAHO like CPQIH, CPHIC, CHRM etc, which have all helped me understand the subject better. This is just the beginning and I am looking forward to grow under the guidance of the learned leaders and quality Gurus in my long journey ahead. Thanking you all and wishing you all the very best."
