Committed to Safer Healthcare

**World
Patient Safety
Day** 17 September

Improving diagnosis for patient safety with the slogan

“Get it right, make it safe”

15th September 2024

10.00am-2.30pm IST

Join us for an impactful virtual event on World Patient Safety Day (WPSD), as we unite to advance the cause of patient safety through improved diagnosis.

This year's program follows the WHO theme, "Improving Diagnosis for Patient Safety", with the slogan "Get it Right, Make it Safe". Our goal is to underscore the critical role of accurate and timely diagnosis in improving health outcomes and ensuring patient safety.

Be part of a global movement dedicated to enhancing patient safety through timely and accurate diagnosis.

Program Highlights

Communication Issues: Effective Communication in Healthcare

Explore the challenges and solutions related to communication in healthcare settings.

Diagnosis: Missed or Delayed Diagnoses

Dive deep into the causes and consequences of missed or delayed diagnoses. Learn strategies to minimize these risks and ensure timely and accurate identification of health conditions.

Patient Engagement in Patient Safety

Understand the vital role patients play in their own safety. Discover ways to engage patients effectively in the diagnostic process, ensuring they are informed, involved, and empowered.

WPSD Contest Winners Awards Presentation

Celebrate with us as we recognize the winners of the WPSD Contest, highlighting innovative contributions to patient safety.

**Together, we can make a difference in patient safety
through better diagnosis.**
