About KIMS Hospitals

KIMS Hospitals is one of India's leading corporate healthcare groups, with a strong presence across Telangana, Andhra Pradesh, Maharashtra, Kerala, and Karnataka. We offer affordable, high-quality tertiary and quaternary care through a network of multi-specialty hospitals under the "KIMS Hospitals" brand. With 5,500+ beds and a team of over 2,300 doctors, we provide comprehensive services across 25+ specialties. As a listed entity on the national stock exchange of India since 2021, we continuously strive to raise the bar in healthcare delivery by integrating cutting-edge medical practices with robust clinical pharmacy services.

Our clinical pharmacy departments play a crucial role in medication safety, therapeutic drug monitoring, antimicrobial stewardship, and patient education ensuring optimal pharmacotherapy outcomes across specialties. Our team of skilled clinical pharmacists works closely with physicians, nurses, and other healthcare professionals to optimize medication use and improve patient outcomes.

Accreditations such as NABH , AACI, PDQ (Pharmacie De Qualité), and the "Best Hospital to Work For" recognition from AHPI further reflect our unwavering commitment to quality and excellence in healthcare. At KIMS Hospitals, we believe in collaborative, evidence-based care, and are proud to support and participate in initiatives that enhance the role of clinical pharmacy in improving healthcare practices and to promote and work for patient safety and better outcomes through our commitment to optimal pharmacotherapy and multidisciplinary collaborations.

In the past, we have successfully conducted several webinars and conferences, including a highly engaging "Clinical Pharmacy Convergence" offline event, which saw over 500 participants. Additionally, our online webinar has garnered impressive participation, with over 800+ participants. These events highlight our dedication to promoting knowledge-sharing and collaboration within the clinical pharmacy community.

About CAHO

Knowledge and Academic Partner

Consortium of Accredited Healthcare Organizations" (CAHO) is a not-for-profit organization dedicated to fostering quality initiatives in Indian healthcare settings through focused events, courses, workshops, and training programs. We firmly believe that accreditation marks the initiation of a quality journey. Our mission is to methodically instill and propagate the essence of quality in healthcare at the grassroots level, fostering a culture of safety within healthcare organizations.

As a collective association of healthcare institutions, diagnostics centers and individuals, we synergize our resources to achieve shared objectives in promoting quality, patient safety, and accreditation. Serving as the driving force for continuous quality improvement, we actively collaborate with all stakeholders to embark on a journey beyond accreditation.

The "CAHO Pharmacists Forum" is a program of CAHO that aims to educate, empower, and elevate the future of pharmacy. The main objective is capacity building, foster collaboration among pharmacists, pharmacologists, clinical pharmacists and the industry. Advocate for the improvement of pharmacy practices and standards in healthcare settings and facilitate research and innovation in the field of pharmacy.

About The Conference

This conference, organized by the Department of Clinical Pharmacy at KIMS Hospitals, Secunderabad in collaboration with the “Consortium of Accredited Healthcare Organizations (CAHO)” aims to bring together clinical pharmacists, clinical pharmacologist and healthcare professionals from various health care organisations to discuss crucial topics surrounding patient safety and hospital strategies in clinical pharmacy. This conference serves as a platform for sharing insights, best practices, and innovative approaches to enhancing patient care and safety within hospital settings. Accredited by CAHO, participants will earn “**10 credit points**” for their involvement. The event fosters collaboration, elevation and innovation of clinical pharmacy practices, ultimately contributing to better healthcare outcomes. As a part of our commitment to environmental responsibility, this conference is organised as a “**Green Initiative**”. Join us in promoting sustainability and making a difference.

Oral Presentation

We are pleased to invite submissions for the Oral Presentation of their research publication session at the KIMS - CAHO Colloquium 2025. This is an excellent opportunity for researchers, practitioners, and clinical pharmacists to showcase their work and contribute to the advancement of clinical pharmacy practice and research. Participants are required to submit their research work presentation/publication as an E-poster via email to the official conference address provided below. All the submissions will undergo a thorough evaluation by our scientific review committee.

Awards & Recognition:

The top three presentations will be selected based on content relevance, scientific merit, and clarity. Selected participants will be invited to present their work in person during the conference and the best one will be awarded during the conference's closing ceremony.

Oral Presentation Guidelines

- Presentations must be submitted in PDF format(single slide).
- E-Poster size: 16:9 widescreen format, 40.97"x23.04" or 104.06 cms x 58.52 cms (Orientation - Landscape)
- The content should be clear, concise, scientifically sound, and aligned with the conference.
- Only three presentations will be shortlisted for on-site presentation at the conference.
- Submission Portal: kimshospitals.cp@gmail.com.
- Upload via the official conference platform only.
- Make sure to check submission deadlines to avoid disqualification.

Final Submission

- Last date for the presentation submission through mail: **17th MAY 2025.**

We look forward to your valuable contributions to this dynamic and impactful event.
