

18 months. One life-changing opportunity.

[Azim Premji Foundation](#) is pleased to announce the launch of the [Azim Premji Health Equity Fellowship](#) - a unique opportunity for Postgraduate Doctors to earn hands-on experience in their area of specialisation at our partner hospitals.

As part of the Azim Premji Health Equity Fellowship, Fellows will receive firsthand exposure to the experience of practicing effectively with patients in remote areas. A diverse case load and mentorship by highly experienced senior doctors and their teams will give them an opportunity to acquire unique skills, leading to significant improvement in career prospects.

By joining this fellowship, Fellows will:

- Gain invaluable field experience working on the frontlines of healthcare delivery.
- Develop a deep understanding of the systemic challenges hindering health equity.
- Collaborate with experienced professionals and the community to implement impactful solutions.
- Become part of a network of passionate individuals committed to creating lasting change.

The Fellowship is a collaborative effort of Azim Premji Foundation and 11 prestigious hospitals located in various parts of the country. **This email is to request your help in reaching the right potential candidates for this Fellowship.**
